

SVPMA Videographer/Editor Volunteer Description

Do you enjoy videoing when attending events?

Have you edited that footage into 2-3 minute web snippets?

Did you ever want to...?

- Get or increase visibility in the Product Management Community
- Build your Product Management Network connecting with SVPMA Board Members & Volunteers
- Build your "on-line video" portfolio

SVPMA is looking for volunteers (ideally 3-4) interested in

Description:

People to video then edit:

- Networking interchange and presentation interaction at monthly events
- Members interacting at "members only" networking events and workshops

with their smart phones or video cameras, then edit footage into 2-3 minute video clips to be posted on the SVPMA website.

Benefits:

- Gain video experience
- Build your "on-line video" portfolio
- Having your video posted on the SVPMA website

Deliverable:

- 2-3 minute video clip for posting on the SVPMA website

Time Commitment:

- Approximately 3-4 hours to generate and edit video content
